Quiz: How Orgasmic and Joyful is Your Business?

Are you currently experiencing Sizzlin' Hot Success and orgasmic joy in your business? Let's take an honest look.

Answer "Yes" or "No" to each statement below. If you get stuck, think of what happens most of the time.

- ___ 1. You wake up in the morning **excited to work!**
- ___ 2. On a daily basis, you feel **excited, energized, happy, and vibrant** (like you're turned on for life!)
- ___ 3. You prioritize **pleasure** just as much as **productivity**. Your work day is **full of pleasure**.
- ___ 4. You have the **confidence to charge premium prices**. The prices you charge excite you!
- ___ 5. You have plenty of **free time** for pleasure, romance, love-making, self-care, travel, fun, favorite hobbies, family, and friends.
- ___ 6. You regularly receive **crystal clear intuitive guidance**.
- ___ 7. You **trust your intuitive guidance** and **take action** on it (without delay or hesitation).
- ___ 8. You feel **turned on and happy** when you look at your **bank account**.
- ___ 9. Your inbox is overflowing with **dynamite opportunities**. Your services are in **high demand**. There are sooo many opportunities that you end up saying "no" more often than you say "yes." You get to select the ones that light you up most (instead of taking any opportunity that shows up).
- ___ 10. You have **consistent cash flow**. Money regularly dances its way into your bank account.
- ___ 11. You have **more money** than you know what to do with. You have money to treat yourself to **all the things you want to do** (ex. vacations, home improvements, self-care, investments, family, etc.).
- ___ 12. You feel **attractive, magnetic, hot, and sexy!**

(continued on next page)

- ___ 13. Your **business** feels attractive, magnetic, hot, and sexy!
- ___ 14. You absolutely **adore your clients**. They are dream clients who you love working with. After working with a client or teaching a class, you feel **uplifted, lighter, more energized, and more vibrant**.
- ___ 15. You're connected to your **body, sacred genitals, and sacred womb**. You tune into your body, sacred genitals, and/or sacred womb when making decisions.
- ___ 16. You regularly tune into your intuition and **give birth to creative projects** that inspire you and others.
- ___ 17. You feel you are **making the impact** you are meant to make in the world, and you're **having a blast** doing it!
- ___ 18. Your **sexual energy is flowing** and fueling your work and life.
- ___ 19. You feel **inspired**, like there is a flow of **creative ideas** available at your fingertips.
- ___ 20. You do your business your own **unique, authentic, creative way**, instead of following prescribed strategies or doing what you think you "should" do.
- ___ 21. You show up as your **magical, authentic self** in your business and all that you do.
- ___ 22. You are regularly having **mind-blowing, earth-shattering sex (or self-pleasure)** that catapults you into **new possibilities**, connects you to the Divine, and helps you feel at one with all that is.

If you answered "no" or "I'm not sure" to 2 or more of these questions, then your business is not fully **lit up and turned on**. And therefore not nearly as **successful** as it could be!

Would you like to open the flow of dream clients, consistent cash, crystal clear intuitive guidance, creativity, and confidence to create your most orgasmic, joyful business?

The solution is **activating your sacred sexual energy** and learning how to utilize your sexual energy to create success in your business.

Mariposa Sacred Sexuality™ and the **4-Step GLOW System** can help you create **sizzlin' hot success** in your business, money flow, love life, and sex life! Woo hoo!

The "O" Meter is one of many sacred Mariposa tools. It will help you get started!

"O" Stands for "Orgasmic"

"O" stands for "orgasmic."

"Orgasmic" is a vibration or experience that involves great **delight, joy, and pleasure** (similar to the pleasure of having an orgasm). Something is orgasmic when it's exciting or extremely enjoyable.

Your business is meant to be orgasmic. An orgasm is an explosion of energy, like an explosion of love and joy. Your business is the channel through which you express love in the world. It is meant to bring you and others great joy. When you are lit up and passionate, your passion is contagious.

Your sexual energy is your **creation energy**. It's the energy you use to create with. You use it all the time in your business! Imagine how powerful it would be if you utilized it consciously and intentionally to create the success you want in your business. And to create divine creations that you can share with others to make the world a better place.

Your sexual energy is your **soul essence** flowing through your physical body. Your business is meant to be an **expression of your soul**, not an expression of a prescribed business formula or strategy. When you feel lit up and turned on, your soul is turned on like a bright light. Your soul intuitively guides your human self through feelings of joy, pleasure, and delight. **Your "turn-on" is your intuition!**

When your sexual energy is turned on and flowing, your soul is lit up and guiding your business. The more you follow your soul, the more successful your business becomes.

In order to create your most orgasmic, joyful business, it's important to say "yes" to experiences, potential clients, and opportunities that **light you up and energize and excite you** (not to things that are just OK or lukewarm. And certainly not things that bore you or turn you off).

That is called the "O" YES!

On the following page, you'll find the "**O**" Meter. It can help you **make business decisions on a daily basis** to create an **orgasmic, joyful business** full of passion and in alignment with your soul.

The "O" Meter

The "O" Meter helps you create an **orgasmic, joyful business** full of passion and in alignment with your soul. Say "yes" to what lights you up at an 8 or above.

When making business decisions, use a scale of 1-10 (10 = highest).

Ask yourself:

"How lit up do I feel about _____?"

Fill in the blank with an opportunity, potential client, marketing copy, or anything related to your business.

Optional: Replace "lit up" with "joyful" or "orgasmic," or "turned on."

There's So Much More to Discover

The "O" Meter is just one sacred tool in the extensive Mariposa Sacred Sexuality™ teachings. It's like one tiny gemstone in an enormous cave filled with sparkly treasures and delights. In other words, **there is sooo much more to explore!**

We've all grown up in a **"sex-negative" culture** which taught us that sex was somehow dirty, bad, or wrong. Most of us didn't know it was OK to masturbate or that masturbation is a form of spiritual grounding and self-soothing. Some of us even experienced sexual abuse.

Sex is either overused and in-your-face in movies and marketing, or it's scorned, hidden, and forbidden from conversation. This has led to **shame around sexuality**. Shame is the lowest vibration we can experience. It's when we feel bad about ourselves. We cannot fulfill our potential in our business or life if we are walking around weighed down by shame.

Most of us haven't learned about the **sacredness, magic, and creative power of our sexual energy**. And certainly not how to utilize it to improve our business! It's about time to learn it, don't you think?

Mariposa Sacred Sexuality™ is the secret to success that you didn't learn in business school.

Mariposa teaches you how to activate your sacred sexual energy through the 4-Step GLOW System, which helps you experience **body confidence** (instead of insecurity, discomfort, or self-criticism of your body), discover the magic and spiritual purpose of your sacred genitals, activate the **orgasmic power of your heart**, connect your heart to your sacred genitals, clear sexual shame, liberate your sacred sexual energy, and discover the **Mariposa Sexual Magic Method: 8 Steps to Create Your Divine Desires with the Magic of Your Sexual Energy**, so you can create the success, money, love, and life you secretly crave.

It's possible when you discover the **secret treasure** that's been **hiding in your body** all along. And how to utilize it.

When you go on this sacred journey, the "O" Meter will become even more effective and easier to use, because you'll be more connected to your body. And your sexual energy will be flowing throughout your entire body and energy field (giving you the **feeling and look of a GLOW**). This will help you feel and notice what turns you on. And tune into your body, sacred genitals, and sacred womb for **crystal clear intuitive guidance** for your business and life.
